

HUNTERDON COUNTY 4-H & AGRICULTURAL FAIR
4-H INVITATIONAL GOAT SHOW

Date: WEDNESDAY, AUGUST 23, 2023
Deadline for Registrations: Tuesday, August 1, 2023

RECORD BOOKS DUE TO 4-H LEADERS ON OR BEFORE Monday, July 31, 2023

CHECK IN: TUESDAY, AUGUST 22nd 5:00 p.m. – 8:00 p.m.
or Wednesday, August 23rd 8:30 am
Show to begin promptly at 10 am

Location: GOAT BARN, South County Park Fairgrounds (1207 Route 179 Lambertville, NJ 08530)
Superintendents: Colleen Ewing and Debra Winters
Judge: Doni DeVincent

Base date for computing age is August 23, 2023

1. Health Requirements

All goats entering the show must have a valid Certificate of Inspection (CVI) or Animal Health Certificate (AHC). The CVI or AHC must be presented at registration. Certificates should indicate that the animals did not originate from a herd with foot rot, sore mouth or any infectious or contagious disease. This statement must be written on the CVI or AHC. Inspection must take place on the farm where the animal lives.

The Hunterdon County 4-H & Agricultural Fair will be following the recommendation of the NJ Department of Agriculture. ****All mammalians including goat, sheep, horse, cattle, alpaca, swine and llama which will be exhibited at the Hunterdon County 4-H & Agricultural Fair must be vaccinated for rabies. The vaccination must be recorded on your CVI by the veterinarian. Any livestock who is not vaccinated will not be allowed on grounds. A copy of the CVI must be provided and handed into the show superintendent. Notice to Goat Exhibitors, if you have a kid 4 months old or less, you will not need to vaccinate.**

a. Both forms are acceptable at the state show. A Certificate of Veterinary Inspection (CVI) can only be given to a member if the inspection is done on the farm – which is the most effective and recommended method. ***Any animal housed outside of New Jersey must have a CVI form.*** Otherwise, the Animal Health Certificate (AAHC) will need to be used. ***AHC's issued for an animal off of the animal's home site must be signed by the owner of the animal under the section entitled "Owner Certification".*** The AHC is included with the Animal Health Recommendations recently sent by the NJ Department of Agriculture; a CVI is only available through the veterinarian ***and is valid for a maximum of 30 days. The AHC may be validated for 30, 60, or 90 days.*** Only the vet can determine if the certificate is valid for 30, 60, or 90 days based on the condition of the animal.

Goats shall be identified by USDA approved official identification

The goat must be identified individually on the CVI/AHC by ear tag or tattoo number. **Note: This can be achieved in two ways.**

a. An animal registered with a Breed Association is assigned with a tattoo number that is placed in the ear or tail area depending on the breed.

b. If the animals are not registered with a Breed Association you can obtain a Premise ID by calling the USDA at (609) 259-8387) and requesting one. They will send you an ID number that can be tattooed on the animal and each animal can then be assigned its own number in addition to the premise ID number. Ear tags are also acceptable.

All goats are subject to a visual health inspection on arrival at the fair. Any animal suspected of having a health problem on arrival at the fair or at any time during the fair must be removed from the fairgrounds immediately.

***Pens are available for use.** All pens must be cleaned out by the 4-H member before leaving. Please **indicate pens needed on your registration.**

Show Rules and Regulations

Member Eligibility

1. Refer to general rules for all Hunterdon County 4-H Exhibitors.
2. All project record books are to be checked by a club leader, who will verify that your record book is up-to-date by signing the leader verification box on entry form. **Record books are due to club leaders on or before Monday, July 31st.**
3. In order to enter the show ring, exhibitors should be neat, clean and appropriately attired. Farm and county names are not allowed on shirts. White shirts are required. White pants and shorts are preferred, but black is allowed.
4. In order to show, an exhibitor must participate in a showmanship class.
5. At check in have all registration papers, copies of lease forms and original health papers available.
6. All class registrations will close at the start of the first class of the show. Scratches from a class will be accepted at any time. No additions can be made.

Animal Eligibility

1. Horned animals are only permitted in the Market and Fiber classes.
2. 4-H Goat project members must have been owned or leased (Loaner Goats) as of May 1 of the current year. *Kids born to an owned or leased animal can be shown even if born after May 1. Loan a Goat forms need to be presented at time of check-in.
3. All wethers, except fiber breeds and companion goats will be judged as market animal.
4. If there are less than 5 animals of a dairy breed they will be shown with all other purebreds with the exception of Nigerian Dwarf. If there are 5 animals or less in any market breed division, they will

be shown together. This includes all animals in classes 29-39.
